

AIGI SUMMER SCHOOL

2024

6th Edition

13th – 15th September 2024 – Bertinoro (FC)
Welcome dinner 12th September

ENTERPRISE RISK MANAGEMENT: RISK-BASED THINKING FOR IN-HOUSE LAWYERS

Associazione Italiana Giuristi d'Impresa (AIGI), the Italian Association of Company Lawyers, member of ECLA (European Company Lawyers Association), will host the 6th edition of the Summer School at the medieval village of Bertinoro (Forlì - Cesena) - Italy.

The Summer School will provide participants with the opportunity to focus on the key topics that an in-house counsel should consider in identifying and being ready to evaluate Enterprise Risk Management issues from a legal perspective, leveraging on the professional experience of the Speakers that will join the sessions. The aim of the program is to balance legal and academic principles with useful cases and to foster interactive discussions, sharing know-how and best practices.

PARTICIPANTS

The program is addressed to in-house counsels, head of legal departments and general counsels, who are interested in promoting and implementing the risk management mindset, having a clear overview of company risks and useful tools to manage today's risks of their companies.

Being the audience composed only by in-house counsels, the participants will have the opportunity to work with colleagues with similar backgrounds, eager to share their experience with other colleagues.

The lecture material will be in English, but the lessons will be in Italian unless there will be foreign participants, so it is recommended to have a good command of English.

WHY ATTEND

The AIGI Summer School is a unique opportunity to acquire knowledge and skills that will foster the professional development of the participants and will provide an overview of the Enterprise Risk Management (ERM) framework and the approaches for embedding ERM in the companies considering all possible interactions between key stakeholders, senior management, officers and the legal department.

At the same time, the AIGI Summer School is an opportunity to meet colleagues and speakers in an informal environment which facilitate networking and to enjoy some free time through social activities organized in Bertinoro.

ACADEMIC PROGRAM 2024

The course will analyze the best practices for measuring risk level, assessing potential threats, identifying and responding to risk events, protecting enterprise value, providing tools for inhouse counsels to strengthen their company's approach, managing both internal and external risks.

The lessons will be based on a combination of focused lectures and practical case studies which will be useful to prevent, address and manage corporate risks from a legal standpoint and in the most suitable manner. The program will be held by experienced senior In-House counsels and by high standing attorneys / academic speakers with strong professional expertise in the relevant fields.
